

Interface

MBox Server/IG has an intuitive interface with a lot of features helping users to solve everyday tasks.

On this page:	
1	MBox Server/IG Window
1.1	Scene

MBox Server/IG Window

The program window is divided into the following areas:

1. Top panel
2. Left panel
3. Scene
4. Right panel
5. (Optional) Additional panels

Scene

The Scene represents your model.

You have the ability to display a grid in the Scene. To show/hide a grid, in the **View** menu, select or deselect **Show Grid**.
