

DM Gold 1.0.10.15

Version is available here: Download/DM/DM Gold/dm-gold-1.0.10.15.exe (<https://www.dropbox.com/s/t5dnchzdl0pymd0/dm-gold-1.0.10.15.exe?dl=0>)

What's new

- New seam finder and blending block in stitching. It solves the problem with "shadows" and "triangles" areas in stitching (because of brightness inconsistency in overlapping areas):

- More accurate calibration of camera angle and pixel size in camera calibration plugin
