HIG Workstation Configuration — July 2021

HIG Workstation Components List

Two options should be specified:

- Preferred (Expensive)
- Reasonable

⚠ The following details should be included:

1. Full product name, including Vendor, Model and Part Number (if available).
2. Product price in retail in USD as of date of publication.
3. A link to at least one online store with the item in stock (for reference).

It is recommended to use newegg.com as a reference for retail price and product links.
