## HowTo send Cutwise movies to Application

Application Installation on the iOS Device

About MCloud Application

URL for testing: http://cutwise.dev.cutwise.com

Authorization on Cutwise (login/password = holloway/holloway)

## Go to "My Account"

## In "Vendor" tab select stones and press "Share with Customer"

Select User (Stones Recipient) or Create new Contact. If contact already exists select it and skip this stage

## Or Create New Contact

Adding (invitation) of a new user. After invitation the sms with activation code will be sent to the corresponding user

blocked URL

Send stone list to the user. After this stones must appear in the application stone list of that user.

Important: Don't forget to set checkbox near "Mobile App/SMS"
