Oxygen Immersion 3.17.8.1439 release notes

New release can be found here: Dropbox\Download\MboxIG\InstallOxygenImmersion3.17.8.1439Beta.exe

What's new & instructions:

- Fixed an issue with lot's of missing inclusions for K913_SUCESSFUL_PLOTTING_WITH_FILTER sample (can be found here IG Auto Test Projects_after 20150914\2015_10_02)
- Fixed a number of memory leaks that caused random Oxygen crashes after a number of successful scans
- Scanning procedure reliability improved even more
