

# 2016.06.28 - Helium Polish: version 5.6.88.1, report.dll version 2.9.7.1, report templates dd 12.07.2016

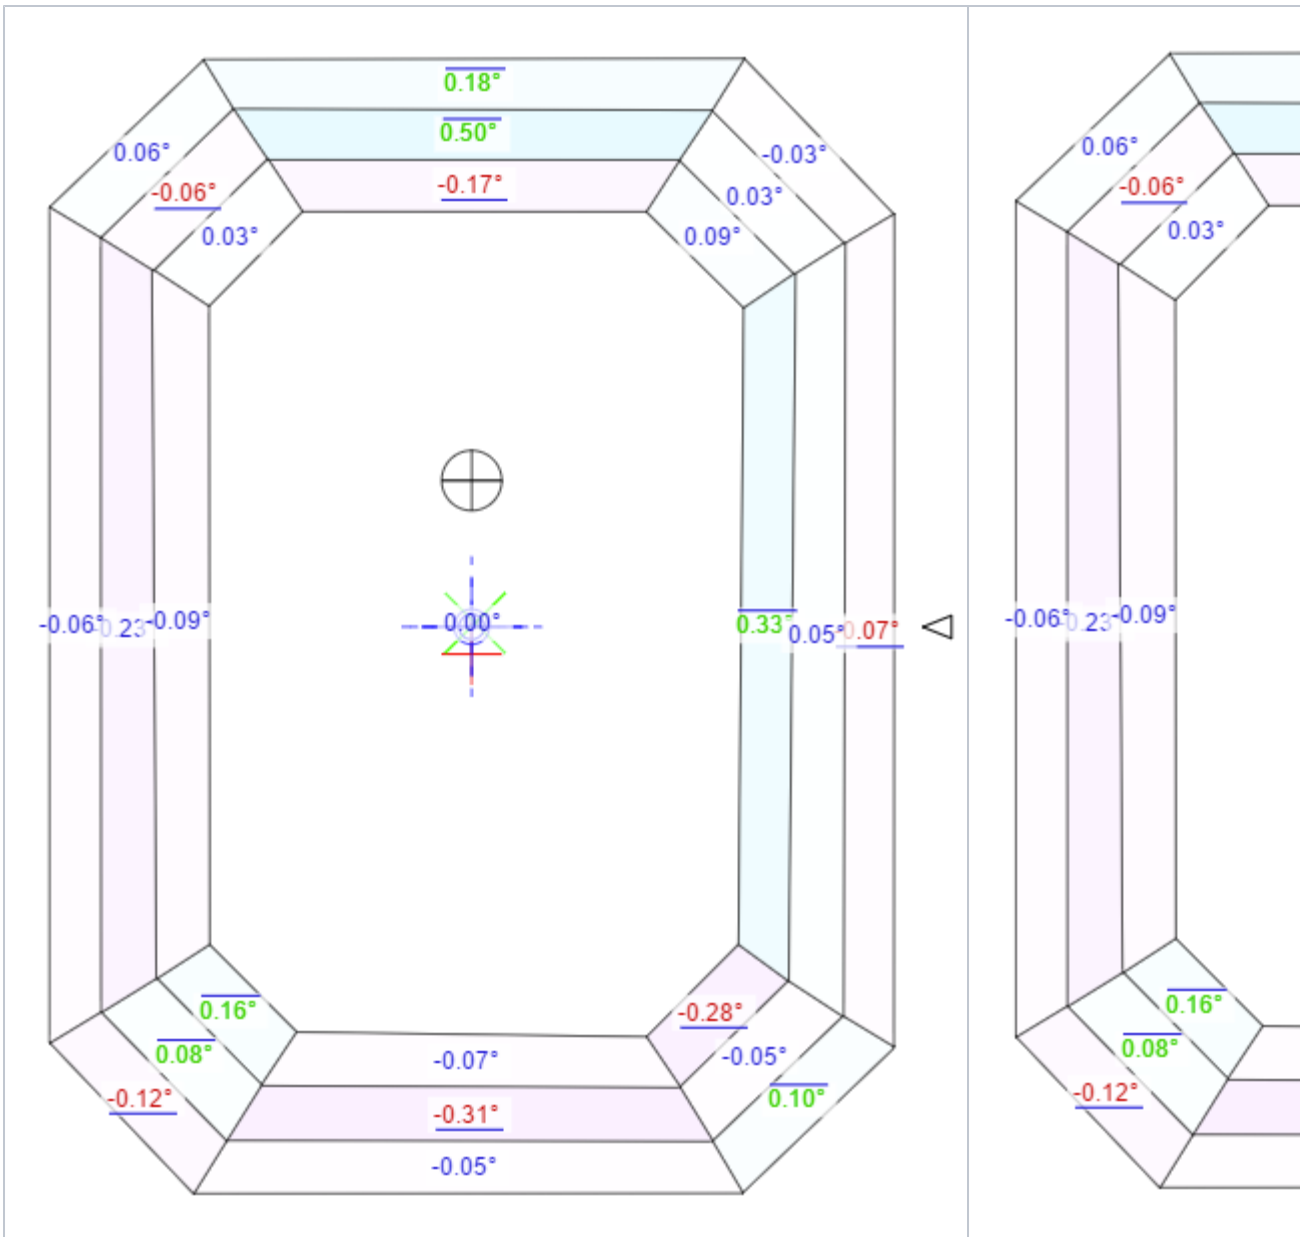

Release contains:

File	Version
HeliumPolish.exe	5.6.88.1
report.dll	2.9.7.1
Reports templates	2016-07-12

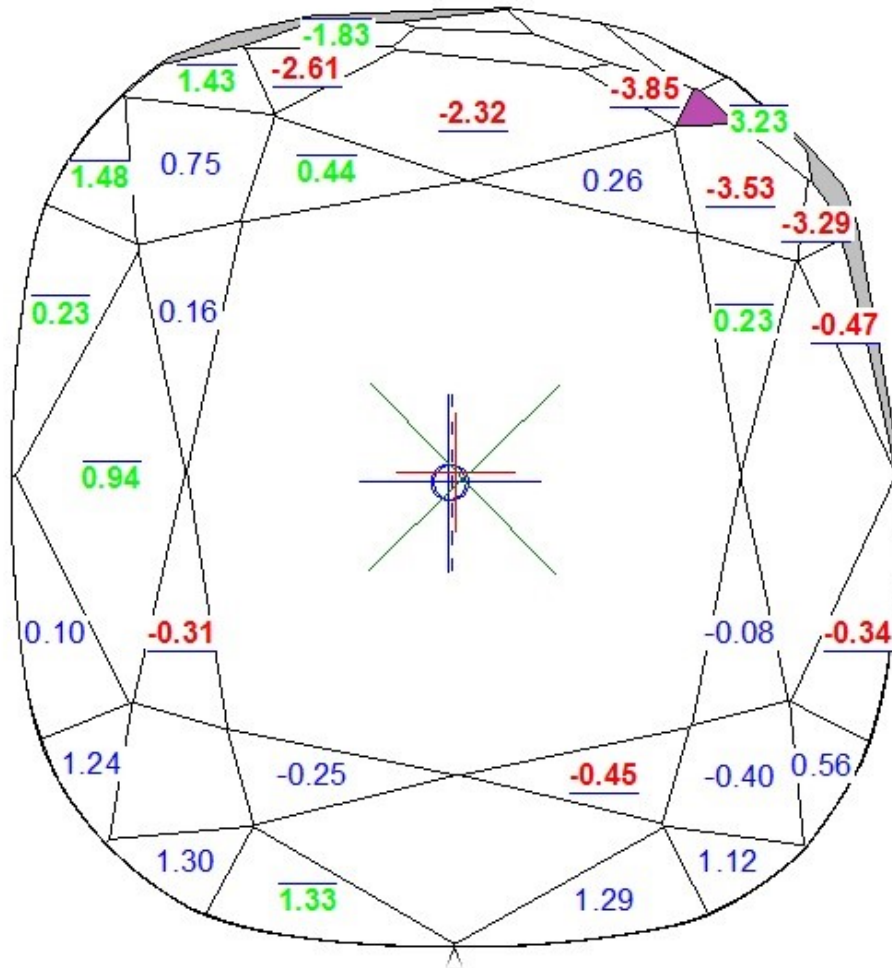

In this version we made the following changes:

1. Culet Center calculation algorithm for steps cuts was **updated**:

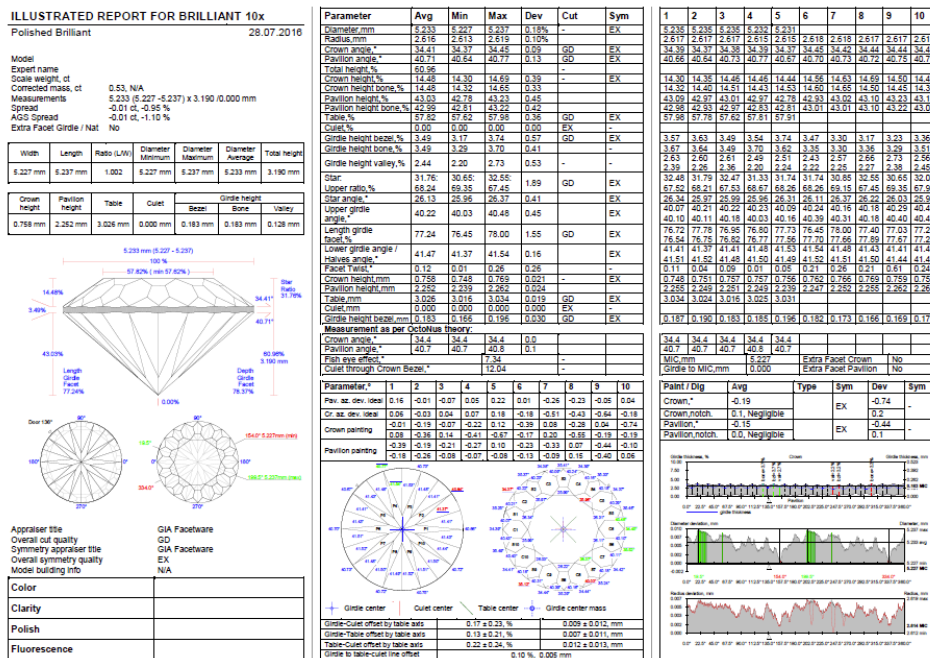

Report.dll 2.9.1.1	
--------------------	--

2. Girdle Center calculation for Cushion was **updated** to become consistent with that for Oval. So from now on, Girdle Center and Girdle Center Mass for Cushion are not the same.

3. Illustrative report for 10 hearts RBC was **added**:

All parameters from Illustrative report were adapted for RBC 10x hearts. Small Bezel slope is indicated on the pictures.
